<b>COMMENTS:</b>
Arm Velo Max = 71 mph. Bat Exit Velo Max = 70 mph. Brandon makes up for lack in size and some with heart and work ethic covering A LOT of ground at 2B. Coaches player will do whatever necessary to help Team. Hard worker. Makes clutch plays offensive and defensively. Great attitude approaches the game with consistent positive mindset. Progression to improve strength, explosiveness to achieve full ceiling potential. Brandon has the fundamental skillset to be a college baseball player coming from one of the top nationally recognized Owasso HS baseball programs.
